ALBUQUERQUE.

Agent for the Largest, Strongest and Best Companies in the world.

Travelers' Life and Accider Hartford. 1863 This is the original Accident Company of America and the largest in the world.

Liverpool, London and Globe Insurance Co., G. B. This standard company's pol-stics does not contain any sixty day clause, but pay- in full with no deduction of interest. Its record at the great Chicago fire of 1st1, paying over three and a quarter million dollars in cash, drawing the funds entirely from England, gives this company a

Insurance Co. of North America, Phil.

The surplus of this old company, as to podey holders, is selfite 208, a sum targer than the "gross assets" of any other American fire insurance company, "except two," In eighty-eight years of continuous business she has paid out over fifty million dellurs for losses, and will bas cash assets. No American company can show any better is cord.

Scottish Union and National, Great Britain. 1824 This is one of the eldest of 33,041 foreign companies. This company has but recently (1880 entered the United States for burdens. Its security for portry holders aggregates \$33,041 045.

Commercial Union Insurance Co., London.

21861* Conservative as an under-writer. Such is the value plac-ed on her poli-les by leading merchants and others that there are but two foreign companies chose premium receipts bothe Unit-d States exceed three of the model company. Assets in the United States nearly \$2,000,000, securely invested. German American Insurance Co , New York

Over two million dollars of the assets of this company is in "United States bones," and in ease of any large configuration can be turned into cash at once. Surplus, as to policy holders, is over \$3,000.000. Pennsylvania Fire Insurance Co., Philadelphia.

Home Insurance Co. of New York. Twenty-nve years successful business places this company at the head and front of New York city companies.

American Central, St. Louis

Springfield Fire and Marine Insurance Co., Springfield,

this an old company—thirty-three years. It is a strong com-pany with a cash capital of one million dollars. It is not exposed to large loss by a sweeping fire, its head office being in a small city. It is limit-ed to a point of perfect safety in all other cities. Standard Fire Office, Lon-

This is or of the new foreign 2,200 000 mpanies to come to this count, and is sufficient to the con-ence of the insuring public. Phoenix Assurance Co., Lon-

GRAND TOTAL

man, declined to answer. It is rumored that Smith is to be witdrawn by order of Mahone, and a strong Arthur The Probable Nominee of the candidate put in his place. It is stated The Volcanic Visitations Felt quarrel, and both drew pistols and fired on high authority that a prominent colored Republican from Washington will soon stump the state with Blame. It is understood that Fred Douglass will be the party, as he warns his race if they affiliate with Mahone they need not expect sympathy from the true Republican party, which, he predicts, will be nominated in this country within a year. Whether or not these representations will all come around it is certain Mahone is using especial diligence to get only Stalwart candidates, and is assiduously weeding ont all weak-kneed ones. Rivest, whose entorced withdrawal in the Fifth district is spoken of, is supposed to be tainted with Blaineism, which was not offen sive to Mahone until Blaine recently unequivocally declared himself against the coalition party in Virginia. In the Four Men meantime a straight out Republican party in this state is gaining accessions and perfecting its organization. Whether or not they will be strong enough to elect their ticket is a matter for conjecture, but the fact that they SANTA FE, Sept. 27 .- The Demo- are earnest aspirants for straight out

was the scene of a terrible affair last Sunday. During the service Jerry Cox and Levi Boyson became involved in a wildly. The audience grose and made a rash for the doors, amid a scene of excitement. The room was filled with shricks of frightened men, women and children. The minister during the melee was the only person who retained his presence of mind and remained in the pulpit calmly and energetically moving his lips in addressing the audience to whom his words were inaudible. The firing continued for some time and several balls passed over the minister's head, who, however, paid no heed to them. Meanwhile several men were a tugging at both Cox and Bryson appealing to them to desist in their terrible work, but they were shoved aside and the firing continued. Bryson was finally shot in the breast and fell mortally wounded upon one of the benches Upsetting but was sufficiently conscious to raise himself and fire a parting vol'ey at his opponent, who fell dead without a word.
